

Number of call outs for each wholetime station 2016-17

Reference No: 058/2017

Request Date: 23/06/2017

Request

Can you provide me with the total number of call outs for each of your whole time stations for the 2016-17 fiscal year.

If you could provide figures for false alarms, fires and special service calls that would be good.

Response

- False alarms include FAG, FAE and FAM
- Fires include FDR, SEC, CD and CO
- Special Service Calls include SSC and RTC
