

Small fire statistics

Reference No: 048/2017

Request Date: 23/05/2017

Request

Please could you provide information on the total number, by category, of incidents classed as small fires or special services requiring a small fire code only, for the periods 2013/14, 2014/15 and 2015/16.

Response

Figures for small fires, as requested:

2013/14 = 2192

2014/15 = 1783

2015/16 = 1777

All figures quoted above are from the small fires stop-code, special service codes are not used for any type of fire.
