

Fires caused by tumble dryers

Reference No: 045/2017

Request Date: 05/05/2017

Request

Which? requests the following details regarding the number of fires caused by tumble dryers:

1. For Hotpoint, Indesit, Proline, Swan and Creda tumble dryers (all brands manufactured by Whirlpool) manufactured between April 2004 and October 2015 and subject to the safety notice issued on 23rd November 2015, please provide the details below. Please provide this as a breakdown by month for 2004 to 2017:
 - a. the number of fires in the jurisdiction of each Fire service identified or suspected to be caused by the above dryers.
 - b. the resources utilised by each Fire Service in extinguishing these fires (e.g. fire fighters, support vehicles, breathing apparatus, fire pump equipment, etc).
 - c. a cost estimate for each Fire Service for the resources utilised.
 - d. how many incidences of loss of life or injury have been caused by, or suspected to be caused by, these dryers identified above.
2. For all tumble dryers (all brands), please provide the details below. Please provide this as a breakdown by month for 2004 to 2017:
 - a. the number of fires in the jurisdiction of each Fire Service identified or suspected to be caused by dryers.
 - b. the resources utilised by each Fire Service in extinguishing these fires (e.g. fire fighters, support vehicles, breathing apparatus, fire pump equipment, etc).
 - c. a cost estimate for each Fire Service for the resources utilised.
 - d. how many incidences of loss of life or injury have been caused by, or suspected to be caused by, tumble dryers as above.
