

# ICT strategy and business plans

**Reference No:** 020/2017

**Request Date:** 16/02/2017

## Request

I would like to submit a freedom of information request for the following document relating to the following:

ICT Documents

1. ICT Strategy- I require the document that hold future plan and strategy of the organisation's ICT department.
2. ICT Departmental Business Plan
3. ICT Technical Strategy.
4. ICT Structure
5. ICT Capital budgets and programmes

Can you please provide me with the latest document to date the organisation holds and please state this within the response. If no information is provided, I will contact the organisation back to verify that this is the latest version of the document.

AN example of this would be an ICT strategy 2012-2017, in some cases, this is acceptable, but on the foot of the document, it states 2012. We require the latest documents; please communicate this to the information holders.

If the organisation doesn't have a document that covers the current financial year, please provide me with information (month) on when this document will be published or updated. In the response please provide us with the previous document along with publish month of the future document.

If you feel that your organisation or the department hold other documents that relate to my request or the document above please send them accordingly.

Some organisations within the region may title the document something else, which includes IM&T Strategy, IS Strategy, Technology Strategy and ICT Strategic Plan.

Lead member: Cabinet Member for ICT and Telecommunications come under. Please can you provide me with their direct contact details including their Full Name, Actual Job Title, Contact Number and Direct Email Address?

Can you please provide me with a direct link to this committee?

## Response

1. Information not held
2. Information not held
3. Information not held

4. See [ICT structure document](#)
5. Capital funding for ICT related projects is included in various documents throughout the Service dependant on the project requirements. We would need more specific information here to enable us to confirm what is held and provide the correct documents.
