Request:	
I am looking for figures on the number of fires in East Staffordshire between January 2017 and 2018 and a breakdown of those in Burton upon Trent if possible. I would also like to know the amount of fatalities from fires in East Staffordshire between January 2017 and January 2018 as well as a breakdown on the amount in Burton on Trent during that timeframe.	
Response:	
East Staffordshire (East Staffordshire has been determined by the East Staffordshire Local Authority area) The number of fires between 1 January 2017 – 31 December 2017 = 312 The number of Fatalities in Fires = 0 Burton (following clarification, breakdown not required) The number of fires between 1 January 2017 – 31 December 2017 = 239 The number of Fatalities in Fires = 0
