

Unaudited Statement of Accounts 2020/21

The Accounts and Audit (Amendment) Regulations 2021 extend the statutory audit deadlines for 2020/21. The requirement for the public inspection period to include the first 10 working days of June has been removed, instead local authorities must commence the public inspection period on or before the first working day of August 2021. This means the draft accounts must be approved by the RFO (Responsible Finance Officer) and published by 31st July 2021 at the latest, however may be published earlier.

The Authority will publish the dates of its public inspection period as soon as the draft 2020/21 statement of accounts has been approved.
