<b>REQUEST</b>	
<p>I am in the process of learning to be a fire risk assessor at the company I work for, I am currently on a level 3 certified course with the FPA and part of that involves conducting a number of fire risk assessments.</p> <p>Would you be able to give me some basic information about then Uttoxeter fire station such as appliance numbers/type and some basic details about staff please, also the location of fire hydrants in the Uttoxeter area along the main high street?</p>	
<b>RESPONSE</b>	
<p>Uttoxeter appliance details.</p> <p><b>DX62 GXL SCANIA P270/EMERGENCY ONE(UK) WATER TENDER</b></p> <p>Uttoxeter has 1 Watch Manager, 1 Crew Manager and 8 Firefighters on the operational watch</p> <p>Fire Hydrant assets do not belong to the fire service they belong to the water company so we are unable to give hydrant location data out as the data does not belong to us. You can however request the information from the water company.</p>
