

## People Impact Assessment (PIA)

<b>Policy/activity or service area to be assessed:</b>	Long Service and Good Conduct Medal	<b>Person completing assessment:</b>	
<b>Reason for this assessment:</b> <i>(new policy / review etc)</i>	Review of Policy	<b>Date of assessment:</b>	19/10/2022

A PIA involves analysing the effect, or potential effect, of the way we do our business upon groups that share protected characteristics as defined in the Equality Act 2010. This requires us to look at the equality data which we capture or have access to and to consider the outcome of our community engagement. We need to assess whether our policies and practices show ‘due regard’ for the three aims (see below) of the Public Sector Equality Duty (PSED). The analysis should highlight effects that *increase* equality, *decrease* equality or have *no impact* upon equality across the protected characteristics. Its purpose is not just to paint a picture, but to *identify practical steps* to improve our performance by:

- (a) Eliminating any unlawful discrimination,**
- (b) Advancing equality of opportunity and**
- (c) Fostering good relations between different groups.**

1. Briefly describe the purpose, aims and objectives of the policy/activity: <sup>1</sup>	The policy explains the conduct required to receive the LSGC Medal and Clasps which is presented by the Lord Lieutenant as a representative of the King. It is awarded to those who have completed 20, 30 & 40 years Service to the Fire Service.
2. Who is the policy/activity aimed at: (communities, staff, partners etc)	It is aimed at Operational Staff who have Long Service and Good Conduct and for reaching 20, 30 & 40 year Service.
3. Who is responsible for the policy/activity: (Directorate/Department/individual)	Principal Officers

1. For ‘policy’: any new and existing policy, strategy, services, functions, work programme, project, practice and activity. This includes decisions about budgets, procurement, commissioning or de-commissioning services, service design and implementation.
2. Socio economic is not a Protected Characteristic under the Equality Act 2010. We will however demonstrate due regard to it because as a risk factor poverty has a significant contributor to inequality indicators. Also when present alongside a PCs or multiple PCs the risk increases exponentially

## Equality Statement

Clearly explain and provide supporting evidence to show how the policy/activity satisfies the three aims of the Public Sector Equality Duty (PSED) and **DOES NOT** cause or have the potential to cause a **NEGATIVE** (detrimental) effect:

The Long Service and Good Conduct Medal and Clasps are awarded by the Home Office for operational Long Service of 20, 30 and 40 years

Where the policy/activity **DOES** or has the **POTENTIAL TO** have a **NEGATIVE** (detrimental) effect indicate which of the Protected Characteristics **MUST** be considered:

Describe the <b>NEGATIVE</b> (detrimental) effect and provide supporting evidence for your rationale *	
<b>Age</b>	No Impact
<b>Disability</b>	No Impact
<b>Gender reassignment</b>	No Impact
<b>Marriage or civil partnership</b>	No Impact
<b>Pregnancy or maternity</b>	No Impact

1. For 'policy': any new and existing policy, strategy, services, functions, work programme, project, practice and activity. This includes decisions about budgets, procurement, commissioning or de-commissioning services, service design and implementation.
2. Socio economic is not a Protected Characteristic under the Equality Act 2010. We will however demonstrate due regard to it because as a risk factor poverty has a significant contributor to inequality indicators. Also when present alongside a PCs or multiple PCs the risk increases exponentially

<b>Religion or belief</b>	No Impact
<b>Race</b>	No Impact
<b>Sex</b>	No Impact
<b>Sexual orientation</b>	No Impact
<b>Socio-economic disadvantage 2</b>	No Impact

\* **NOTE:** Where any **NEGATIVE** (detrimental) effects are likely to occur:

- (a) For the policy/activity to continue corrective actions/amendments **MUST** be taken to prevent/minimise unlawful discrimination
- (b) An action plan **MUST** be completed (next section)
- (c) Where a negative (detrimental) effect can not be avoided, continuation of the policy/activity (with or without amendment) **MUST** be justified

## Action plan

This action plan **MUST** accompany the policy/activity and be used continually to assess any negative (detrimental) effects resulting from the delivery of or amendments to the policy/activity based on customer feedback and evaluation.

Negative/detrimental effect	Action needed to prevent/minimise it	By who	By when	Complete (tick)
	No Impact			

1. For 'policy': any new and existing policy, strategy, services, functions, work programme, project, practice and activity. This includes decisions about budgets, procurement, commissioning or de-commissioning services, service design and implementation.
2. Socio economic is not a Protected Characteristic under the Equality Act 2010. We will however demonstrate due regard to it because as a risk factor poverty has a significant contributor to inequality indicators. Also when present alongside a PCs or multiple PCs the risk increases exponentially
